5. 2015 JUNIOR TEAM ELIGIBILITY AND SELECTION CRITERIA

- 5.1 The Selection Panel appointed by the Board of AC under clause 4.1 of the Selection Procedures Bylaw will, subject to these selection criteria and in particular the performance criteria set out in clauses 5.9, 5.10 and 5.11, 5.12 select Athletes/Crews in each Event as follows:
- (a) Up to three Athletes/Crews in each Event to compete at the 2015 ICF Canoe Slalom World Championships.
- 5.2 To be eligible for selection to the Junior Team, Athletes must be at least 15 years old and not over 18 years old in 2015.
- 5.3 Subject to these selection criteria, and in particular clauses 5.9, 5.10 and 5.11, selection to the Junior Team will be based on those Athletes/Crews with the lowest number of ranking points in a Event following the Selection Trials.
- 5.4 For the purposes of ranking Athletes/Crews by points, in each Selection Trial the following ranking points will be awarded for the Athlete/Crew's placing:

Place	Points	Place	Points	Place	Points
1	0	8	8	15	15
2	2	9	9	16	16
3	3	10	10	17	17
4	4	11	11	18	18
5	5	12	12	19	19
6	6	13	13	20	20
7	7	14	14	21	21 etc

Where an Athlete/Crew starts, but doesn't finish they will be recorded as a "did not finish (DNF)" and will be awarded 999 points for that Selection Trial.

- 5.5 The points allocated to the Athlete/Crew for each Selection Trial shall be added together to give a total point score, except where an Athlete/Crew competes in all four Selection Trials in which case only the lowest three scores will be added together to achieve a total point score.
- 5.6 Where two or more Athlete/Crews have the same total ranking point score (as calculated under clauses 5.4 and 5.5) the Athlete who has the lowest single ranking points score at one of the Selection Trials shall be ranked higher.
- 5.7 Where two or more Athletes/Crews are ranked equally after consideration of clause 5.6, the Athlete/Crew who has on average the lowest percentage score behind the Base Score (see clause 5.8) at the three Selection Trials used to calculate the total ranking points score under clause 5.5 shall be ranked higher.
- 5.8 At the conclusion of each Selection Trial the Selection Panel will publish a Base Score from which the Performance Standard shall be calculated for each Event. The Base Score at each Selection Trial is the lowest total score recorded by any Australian Athlete/Crew at that Selection Trial in any of the relevant Events. A base score will be published for each stage of the competition, however, in settling a tie, percentages will only be taken from the final stage reached in the competition.
- 5.9 Notwithstanding rankings, and subject to clause 5.14, selection to the Team for specific competitions listed in 1.1 is dependent upon the Athlete/Crew meeting the specific National Performance Standard as set out in clause 5.10 at either Selection Trial 1 or Selection Trial 2 and at either Selection Trial 3 or Selection Trial 4.
- 5.10 The National Performance Standard for selection to the Team in each Event is calculated from a percentage of the Base Score at each phase (heat, semi-final or final) at each Selection Trial as follows:

Event	Junior Team Performance Standard
K1 Men	Less than 125% of the Base Score
K1 Women	Less than 150% of the Base Score
C1 Men	Less than 145% of the Base Score
C2 Men	Less than 150% of the Base Score
C1 Women	Less than 188% of the Base Score

Example:

The percentage score for an Athlete/Crew at a Selection Trial is calculated by dividing the total score for that Athlete/Crew by the Base Score and multiplying by 100. For example, the Base Score at Event 1 is 184.55 and Athlete A has a score of 195.44 the percentage score is calculated as follows:

$$(195.44 / 184.55) \times 100 = 105.90\%$$

- 5.11 Only the results of Athletes/Crews who are eligible for selection to the Junior Team under clause 5.1 of the Selection Procedures Bylaw will be used for the purpose of calculating selection rankings
- 5.12 Where an Athlete/Crew has been selected to the Team and subsequently withdraws from or is unable to take part in a competition listed in 1.1 due to injury or illness, the Selection Panel may select the next highest ranked Athlete/Crew following the Selection Trials as a replacement.
- 5.13 Where less than three Athletes/Crews have been selected in an event to compete at one of the competitions in 1.1, the Selection Panel, in its sole discretion, may select one or more Athletes/Crews in that Event subject to an Athlete/Crew meeting the performance standard in clause 5.10 in a different Event at the Selection Trials and/or by demonstrating a suitable performance standard at the Selection Trials, at a subsequent training camp, or at an

Event determined by the Selection Panel prior to the competition listed in 1.1. In considering a suitable performance standard, the Selection Panel may give weight to one or more of the following factors:

- (a) Ability of the Athlete to train and compete at the required level and to participate in a national Junior team preparation program and a World Championship, as determined by the Selection Panel its it's sole discretion;
- (b) Gender balance, the balance of Canoe Kayak athletes and the potential for development and future national team performance of an Event as determined by the Selection Panel in its sole discretion; and
- (c) Any other factors the Selection Panel in its sole discretion considers relevant in the circumstances.

5.14 Notwithstanding selection to the Team, the Selection Panel will not select an Athlete/Crew to compete in two or more Events at one of the competitions listed in 1.1, unless, in its sole discretion, and on a case by case basis, it considers that the Athlete/Crew has sufficient skill, fitness and experience to perform at the highest international level in more than one Class.

6. EXTENUATING CIRCUMSTANCES

6.1 For the purpose of this clause 6, "extenuating circumstances" means an inability to compete at and/or attend at least two of the Selection Trials or, for Athletes selected to the Team, an inability to compete at any of the 2015 ICF World Cups designated as International Performance Trials under clause 4.2 due to:

- (a) Injury or illness;
- (b) Bereavement; and/or
- (c) Any other factors reasonably considered by the Selection Panel to constitute extenuating circumstances.

6.2 In considering the performances of Athletes/Crew at the Selection Trials the Selection Panel may in its discretion give weight to extenuating circumstances and determine whether under normal circumstances an Athlete would have a high probability of meeting the criteria under clauses 4.2, 5.3, 5.5, 5.9 and 5.10. The Selection Panel may in its absolute discretion not consider extenuating circumstances.

6.3 Athletes unable to compete at any one or more of the Selection Trials required under this Selection Criteria must advise the CEO of Australian Canoeing in writing of this fact via email to greg.doyle@canoe.org.au with a copy to the National Performance Director via email to Richard.fox@canoe.org.au and the reasons before the commencement of the first day of competition of the Selection Trial(s) in which the Athlete considers that they are unable to compete.

6.4 In the case of injury, athletes will be required to undergo a medical examination by a doctor or doctors nominated by Australian Canoeing.

6.5 A decision in each case of extenuating circumstances will be made by the Selection Panel on an individual basis.
