Statement of Attainment

Through a partnership with Scouts Australia Institute of training [#5443](#)
Students who undertake a Flatwater course and assessment under the Australian Canoeing Award Scheme can receive a Statement of Attainment.

<http://scouts.com.au/adult-program/scouts-australia-institute-of-training>

How do I gain a Statement of Attainment?

- The AC Assessor **must** also hold a cert IV **TAE** in Training and Assessment
- SOA **must** be requested at the same time as the Australian Canoeing award
- Scouts Australia **RPL forms must** be completed and return to AC with the AC assessment record.

Please note: The RPL forms are available from an AC assessor holding a TAE in Training and Assessment, not all Australian Canoeing qualified assessors hold a TAE and can therefore not request a Statement of Attainment

What units are issued in the Statement of Attainment?

You can view the units under the ACAS section of the Australian Canoeing website at:

<http://canoe.org.au/education-safety/australian-canoeing-award-scheme-acas/>

What is a Statement of Attainment?

A Statement of Attainment is a list of units of competency. These units are part of the Outdoor Recreation training package and can be used as credit towards a Certificate III in Outdoor Recreation.

Why do I want a Statement of Attainment?

A small number of employers may ask for a Statement of Attainment. However, an ACAS award is a peak body award that shows your currency in canoeing/kayaking and should be sufficient for most employers.

If you wish to discuss this in any further detail please don't hesitate to call Australian Canoeing (02)97630670

As at June 2015
