2.6. PERFORMANCE STANDARDS

2.6.1 At the conclusion of the Selection Trial the Selection Panel will publish a Base Time Performance for each Event. The Base Time Performance is the time of the fastest Australian Athlete or Crew in the A final of an event.

A percentage of the Base Time Performance for each Athlete/Crew will be calculated as follows:

EXAMPLE

Percentage of Base Time Performance is the Athlete's time divided by the Base Time performance.

e.g. if an Athlete's time in an event is 1:50.495 and the Base Time is 1:40.45 the percentage of Athlete's time relative to the Base Time is calculated as follows:

$$(110.495/100.45) \times 100 = 110.00\%$$

The percentage behind the Base Time Performance is then calculated accordingly:

$$110.00\% - 100 = 10.00\%$$

2.6.2. Notwithstanding rankings at the Selection Trial, selection to the Team is dependent on an Athlete demonstrating a suitable performance standard at the Selection Trial as determined by the Selection Panel in its sole discretion. In determining a suitable international performance standard for Athletes/Crews, the Selection Panel, in its sole discretion, may give weight to one or more of the following criteria:

- (a) Performance of an Athlete at the 2017 Selection Trial, (as a guide, the approximate time required in fair conditions to qualify for an A final in a team boat and a B final in individual events at a World Championships)
- (b) an Athlete/Crew's time relative to the winner of an event listed in these criteria
- (c) wind or other climatic factors; an
- (d) any other factors the Selection Panel, in its sole discretion, considers relevant in the circumstances.

2.7. REPLACEMENT ATHLETES

2.7.1 Where an Athlete has been selected to the Team and withdraws from the Team or is unable to compete at the Under 23 World Championships, the Selection Panel, in its sole discretion, may select the next highest ranked Athlete following the Selection Event to the Team, subject to entry deadlines imposed by the ICF.

2.7.2 If an Athlete/Crew is selected to an event and subsequently withdraws from that event, or fails to maintain a suitable international performance standard for that event, or adversely affects the performance of a Crew, as determined by the Selection Panel in its sole discretion, the Selection Panel may remove that Athlete/Crew from the Team or event and may select as a replacement the next highest ranked Athlete following the Selection Event or an Athlete/Crew

from within the members of the Team.

2.7.3. Notwithstanding selection to the Team, the Selection Panel will not select an Athlete/Crew to compete in multiple events unless, in its sole discretion, it considers that the Athlete/Crew has sufficient skill, fitness and experience to perform at the highest international level in more than one event.

2.7.4. AC will appoint a Head Coach or Head Coaches to the team who, in conjunction with the Chair of the Selection Panel, will select Athletes from within the selected Team to compete in specific events at the 2017 ICF U23 Canoe Sprint World Championships, in consultation with other Team coaches, where appointed.

2.8. EXTENUATING CIRCUMSTANCES
