Coaching and Talent Identification

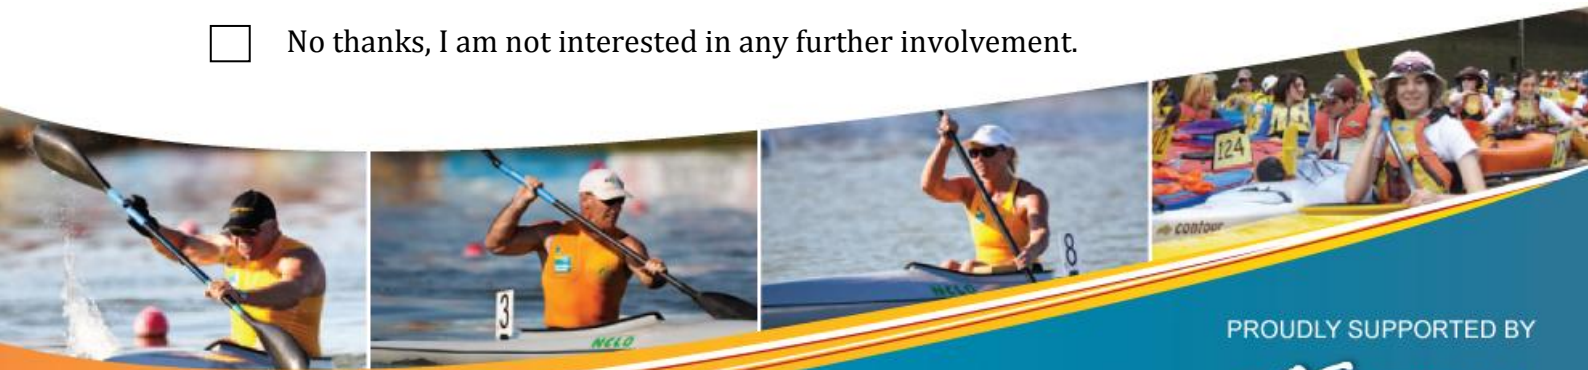

Both Australian Canoeing (AC) and the Australian Paralympic Committee (APC) are currently searching people who are interested in assisting with the development and promotion of paracanoe within their local state / territory. A critical element within the participation and development pathway is to ensure that talented athletes with goals of competing at the highest level available to them are identified early and have access to high quality coaches.

Consequently, we would like to identify people who may be interested in furthering their knowledge and expertise in paracanoe, with a view to assisting both AC and the APC in the following areas:

- Talent Identification
- Coaching Elite Teams (State and National)
- Event Support

Should you wish to make the most of this opportunity, please indicate this by ticking the appropriate box below:

- I would like to become further involved in the sport of paracanoe, focusing on:
 - Talent Identification;
 - Coaching from club to elite teams;
 - Volunteering
- No thanks, I am not interested in any further involvement.
