Flatwater (Canoe Sprint) Competition Safety Checklist

Introduction & Instructions

This checklist is the minimum standard to ensure safety of **competitive flatwater (canoe sprint) activities** of Australian Canoeing affiliates. Its purpose is to ensure that all appropriate steps have been taken to ensure the safety of participants in Australian Canoeing sanctioned paddling activities.

How to use this checklist:

When organising competitive events – Complete this checklist to confirm that all reasonable steps have been taken to ensure the safety of all participants.

Where an action or activity is not required, tick the NO column and note why in the comments column.

NOTE: This checklist does not negate the requirement to follow the ICF rules for Canoe Sprint as modified by national and state canoeing body requirements and local regulatory authorities.
