A percentage of the Base Time Performance for each Athlete/Crew will be calculated as follows:

EXAMPLE

Base Time Performance in K1 500m is 1 minute 40.45 seconds = 100.45

Athlete Score is 1 minute 42.21 seconds = 102.21

Percentage of Base Time Performance $(100.45/102.21) \times 100 = \mathbf{98.28\%}$

Percentage behind Base Time Performance = $100 - 98.28 = \mathbf{1.72\%}$

9.2 Notwithstanding, selection to the Team is dependent on an Athlete demonstrating a suitable performance standard at the Selection Event as determined by the Selection Panel in its sole discretion. In determining a suitable international performance standard for Athletes/Crews, the Selection Panel, in its sole discretion, may give weight to one or more of the following criteria:

- (a) Performance of an Athlete at the 2015 Selection Trials, (as a guide, the approximate time required in fair conditions to qualify for an individual B final or a team boat A final at the Under 23 world championships);
 - (f) an Athlete/Crew's time relative to the winner in an event listed under these criteria;
 - (g) wind or other climatic factors; and
 - (h) any other factors the Selection Panel, in its sole discretion, considers relevant in the circumstances.
- 9.3 Where an Athlete has been selected to the Under 23 Team and withdraws from the Team or is unable to compete at the Under 23 World Championships, the Selection Panel, in its sole discretion, may select the next highest ranked Athlete following the Selection Event to the Team, subject to entry deadlines imposed by the ICF.
- 9.4 If an Athlete/Crew is selected to an event and subsequently withdraws from that event, or fails to maintain a suitable international performance standard for that event, or adversely affects the performance of a Crew, as determined by the Selection Panel in its sole discretion, the Selection Panel may remove that Athlete/Crew from the Team or event and may select as a replacement the next highest ranked Athlete following the Selection Event or an Athlete/Crew from within the members of the Team.
- 9.5 Athletes selected to the Team will be selected to compete in specific events at the world championships at the sole discretion of the Selection Panel on advice from the Under 23 Head Coach and National Head Coaches.
- 9.6 Notwithstanding selection to the Team, the Selection Panel will not select an Athlete/Crew to compete in multiple events unless, in its sole discretion, it considers that the Athlete/Crew has sufficient skill, fitness and experience to perform at the highest international level in more than one event.

10. EXTENUATING CIRCUMSTANCES

- 10.1 For the purposes of determining whether an Athlete has met the requirements of this Selection Criteria Supplement AC will not have regard to any extenuating circumstances.
